I think we need to craft a statement that we can use (verbal only) when somebody asks about Eriksen. He is already in the national locator available to the public.

“Doug Eriksen has been offered a position with EPA as senior advisor to the Regional Administrator in Region 10. The offer was made out of the headquarters office which handles special Schedule C appointments. We anticipate Mr. Eriksen beginning his new position sometime after the new year. “

Hi Jeff,

Her name is Sandy Robson, (b) (6) and said the primary reason for the call is he is her representative. I asked her if she was a reporter, and she replied that she does some freelance writing. Sandy can be reached at [REDACTED]

Thanks!

Merry Christmas if I don't see you!

Linda Erikson
